

## Meeting of the Sustainable Rangelands Roundtable (SRR)

*Tucson, Arizona – January 9 and 10, 2002*  
*Facilitated by Lou Romero, DeLaPorte & Associates, Inc.*

### SRR Session Objectives

1. Continue to develop a full list of indicators within each criteria group.
2. Continue to evaluate indicators by working through the framework.
3. Gain a better understanding of the interrelationships and coordination of all the roundtables.
